

Documenting a Success

Name of Organization:

Contact Name:

Phone:

Email:

Please describe one success with your network development. For Example, why is it a success? What are the factors that led to the success? What is the current result of the success? Is there any actions being taken to highlight that success to others? What is being done to ensure the success continues? (Maximum 1 page).

Documenting a Challenge

Please describe one challenge with your network development. Why is it a challenge? What are the factors that led to the challenge? What is the current result of the challenge? Is there any actions being taken to make others aware that the challenge exists? What solutions are being undertaken or considered to resolve the challenge? (Maximum 1 page).
